

## **ABOUT MS ONG BEE LENG**

About Novel : Our Director MS ONG BEE LENG (B Sc, Dip Ed)

Ms Ong Bee Leng graduated from National University of Singapore with a Bachelor of Science (Mathematics). She then earned her Diploma in Education (with Credit) from the Institute of Education.

In addition, she has also attended Mathematics Enrichment Programmes in China and Australia, and she has successfully completed the Trainers' Advanced Course in the U.K. as well as the Adventure Based Counselling Workshop in the U.S.

Her love and passion for Mathematics is manifested by her constant pursuit of instructional excellence in Mathematics. Ms Ong pioneered and organised the annual Singapore Mathematical Olympiad For Primary Schools. She also organized the Singapore Mathematical Olympiad Junior Training Camp for the prize-winners of the competition.

During her tenure as a teacher, Ms Ong has taught students of varying abilities in government schools as well as government-aided, autonomous and independent schools. As a specialist Maths teacher, she was the Head of the Mathematics Department at The Chinese High School and also the Co-ordinator cum Maths teacher of the Gifted Education Programme at Dunman High School.

In recognition of her specialisation and her leadership qualities, she was attached to the Ministry of Education Headquarter where she worked with numerous scholars from some of the top secondary schools and junior colleges in Singapore. She was also a part-time supervisor of trainee teachers at the National Institute of Education in the School of Science, Mathematics Division.

Ms Ong heads the team of authors from Novel Learning Centre who wrote the 12-book Maths series for Primary 1 to Primary 6 pupils – 'Primary Mathematics Intensive Practice'. She is also the co-author of 'Complete Mathematics' which is a Maths workbook for Primary 4 pupils as well as the 'Shaping Maths' Coursebooks and Activity Books for Primary 4 to Primary 6 pupils.

Ms Ong is the Director of Novel Learning Centre, a specialist educational and enrichment institution that has been specifically set up for the dedicated learning of Mathematics and Science.
